24 The Law appears to be that the authority prescribing the Condition of the Sale can Condone the delay in this Case Such authority is the Municipal Council and of Late deputed Resolved at the meeting held on 9 12 46 that the Sale of Sites 1 and 2 may be Cancelled hence a Specific Resolution of the Municipal Council decision on modification of the previous Resolution is

(c) Considered necessary for compliance the Sale of Sites 1 and 2 of the Schedule of the Resolution of 9.12.46 of the Municipal Council, not to compel the Sale of these two Sites if it is proposed to compel their Sale as per the D.C.S Recommendation dated 28.2.47, action will have to be taken by the D.C under Sec 194 of the M.T.N Act 1933 to suspend the Resolution, the Municipal Council in which case the Question of urgency or annoyance to the public, apprehension of a breach of peace or unlawfulness or illegality of the Resolution should be a Condition precedent to the passing of any such order by the D.C

(5) As the present Resolution of the Municipal Council can hardly be construed to contain any component of the kind as enumerated above to justify the suspension of the Resolution of the Municipal Council by the D.C it may perhaps be necessary and desirable to call for a modified Resolution of the Municipal Council before confirming the Sale of Sites 1 and 2 in question according to law

Re: Confirmation of sale of sites held on 30-10-46 at Kallahalli extension and Jain colony, Mandya

Sir,

In continuation of this Office letter of even No dated 20-1-47 on the above subject, I have the honour to state that the appeal preferred by Mr B Sara Khan against the Resolution of the Municipal Council declining to confirm the sale in respect of Sl sites 1 and 2 was heard The President, Municipal Council reported that even though the other bidders in the sale paid the balance of the bid amounts after the expiry of the statutory period, the Municipal Council confirmed the sales, while the sales in respect of the two sites bid for by Mr B Sarakhan were not confirmed The delay in the payment of the bid amount in the former set of cases was one day while the latter it was two days The appellant Mr B Sarakhan explained the special circumstances which occasioned the delay The Municipal Counsel advocate who represented the Municipality in the appeal conceded that the delay may be ordered to be condoned even in this case as was done in other cases I have therefore ordered that the little delay in this case may also be condoned and the sale confirmed Since the bids secured in respect of both these sites exceed Rs 1000/- in each case, sanction of Government to the confirmation of the sales is necessary under Section 38 (2) of the Town Municipalities Act

I request you in the circumstances kindly to obtain the orders of Government in the matter
